**Re: Public Records Act Request – CalAm Monterey Peninsula Water Supply Project**

Dear Public Records Coordinator & Ms. Borak :

We are writing on behalf of California Unions for Reliable Energy (“CURE”) to request a copy of *any and all records and communications* received or created by the California Public Utilities Commission related to the CalAm Monterey Peninsula Water Supply Project (“Project”) from the date of **May 21, 2015** to the present. This request includes, but is not limited to, any and all materials, correspondence, resolutions, memos, notes, analysis, electronic mail messages, files, maps, charts, and/or any other documents related to the Project. This request *excludes* a copy of the DEIR and Appendices as posted on the CPUC website, as well

as all documents previously provided in response to our immediate access request dated May 21, 2015.<sup>1</sup>

This request is made pursuant to the California Public Records Act. (Government Code §§ 6250, et seq.) This request is also made pursuant to Article I, section 3(b) of the California Constitution, which provides a Constitutional right of access to information concerning the conduct of government. Article I, section 3(b) provides that any statutory right to information shall be broadly construed to provide the greatest access to government information and further requires that any statute that limits the right of access to information shall be narrowly construed.

We will pay for any direct costs of duplication associated with filling this request up to \$200. However, please contact me at (650) 589-1660 with a cost estimate before copying/scanning the materials. If any of the requested items are available on the Internet, we request the CPUC direct us to the appropriate electronic link(s) for accessing the documents.

Pursuant to Government Code section 6253.9, if the requested documents are in electronic format and are 10 MB or less (or can be easily broken into chunks of 10 MB or less), please email them as attachments.

My contact information is:
