Re: San Diego International Airport – Airport Development Plan; SCH
No. 2017011053 – SDCRAA # EIR-18-01

Dear Mr. Anasis:

I am writing on behalf of Laborers International Union of North America, Local Union No. 89 and its members living and working in and around the County of San Diego (collectively “Commenters”) regarding the Draft Environmental Impact Report (“DEIR”) prepared for the San Diego International Airport – Airport Development Plan; SCH No. 2017011053 – SDCRAA # EIR-18-01 (“Project”).

After reviewing the DEIR, we conclude that it fails as an informational document and fails to impose all feasible mitigation measures to reduce the Project’s impacts. Commenters request that the San Diego County Regional Airport Authority, the San Diego Board of Supervisors, and your staffs address these shortcomings in a revised draft environmental impact report (“RDEIR”) and recirculate the RDEIR prior to considering approvals for the Project. We reserve the right to supplement these comments during review of the Final EIR for the Project and at public hearings concerning the Project. *Galante Vineyards v. Monterey Peninsula Water Management Dist.*, 60 Cal. App. 4th 1109, 1121 (1997).

Sincerely,

Richard Drury
