Re: Comment on Draft Environmental Impact Report, 700 East Middlefield Road
LinkedIn Office Project (State Clearinghouse # 2017092025)

Dear Ms. Pancholi:

I am writing on behalf of Laborers International Union of North America, Local Union No. 270 and its members living in and around Mountain View, California (collectively "LIUNA" or "Commenters") regarding the Draft Environmental Impact Report ("DEIR") prepared for the 700 East Middlefield Road LinkedIn Office Project, State Clearinghouse No. 2017092025 ("Project"). On March 21, 2018, my office e-mailed and mailed a request to receive notice of this Project pursuant to Public Resources Code Sections 21092.2 and Government Code Section 65092. Despite that effort, we apparently did not receive any mailed or e-mailed notification that the DEIR documents had been released for the Project on May 31, 2018.

After reviewing the DEIR, we conclude that the DEIR fails as an informational document and fails to impose all feasible mitigation measures to reduce the Project's impacts. Commenters request that the Community Development Department address these shortcomings in a revised draft environmental impact report ("RDEIR") and recirculate the RDEIR prior to considering approvals for the Project. We reserve the right to supplement these comments during review of the Final EIR for the Project and at public hearings concerning the Project. *Galante Vineyards v. Monterey Peninsula Water Management Dist.*, 60 Cal. App. 4th 1109, 1121 (1997).

Sincerely,

A handwritten signature in blue ink that reads "Michael R. Lozeau".
