Re: **Comment on Draft Environmental Impact Report for 777 W. Middlefield Road Residential Project, aka SCH2018032072**

Dear Ms. Pancholi,

I am writing on behalf of Laborers International Union of North America, Local Union No. 270 and its members living in and around the City of Mountain View ("LIUNA") regarding the Draft Environmental Impact Report ("DEIR") prepared for the project known as 777 W. Middlefield Road Residential Project, aka SCH2018032072, including all actions related or referring to the demolition of the existing buildings and the development of up to 718 new residential units in three separate buildings, with subterranean parking under each building, on Parcel No: 153-24-005 in the City of Mountain View ("Project").

After reviewing the DEIR, we conclude that the DEIR fails as an informational document and fails to impose all feasible mitigation measures to reduce the Project's impacts. LIUNA requests that the Community Development Department address these shortcomings in a revised draft environmental impact report ("RDEIR") and recirculate the RDEIR prior to considering approvals for the Project. We reserve the right to supplement these comments during review of the Final EIR for the Project and at public hearings concerning the Project. *Galante Vineyards v. Monterey Peninsula Water Management Dist.*, 60 Cal. App. 4th 1109, 1121 (1997).

Sincerely,
