**Re: City of Hope Campus Plan Draft Environmental Impact Report (SCH No. 2015101047)**

Dear Mr. Golding:

I am writing on behalf of Laborers International Union of North America, Local Union No. 300 and its members living in Los Angeles County (collectively "LIUNA" or "Commenters") regarding the Draft Environmental Impact Report ("DEIR") prepared for the City of Hope Campus Plan, State Clearinghouse No. 2015101047 ("Project").

After reviewing the DEIR, we conclude that the DEIR fails as an informational document and fails to impose all feasible mitigation measures to reduce the Project's impacts. Commenters request that the City of Duarte Planning Commission, City Council, and your staffs address these shortcomings in a revised draft environmental impact report ("RDEIR") and recirculate the RDEIR prior to considering approvals for the Project. We reserve the right to supplement these comments during review of the Final EIR for the Project and at public hearings concerning the Project. *Galante Vineyards v. Monterey Peninsula Water Management Dist.*, 60 Cal. App. 4th 1109, 1121 (1997).

Sincerely,

A handwritten signature in blue ink, appearing to read "Richard Drury".
