Our request for all documents referenced or relied upon in the DEIR is made pursuant to the California Environmental Quality Act ("CEQA"), which requires that all documents referenced in an environmental review document be made available to the public for the entire comment period.²

If the electronic files are 10 MB or less (or can be easily broken into chunks of 10 MB or less), they can be emailed to me as attachments. If any of the requested items are available on the Internet, we request that the City direct us to the appropriate electronic link(s) for accessing the documents.
