Re: **1180 Main Street Office Project**
(Mitigated Negative Declaration, Planning Commission, June 4, 2019))

Dear Messrs. Turner and Chui and Ms. Ramirez:

I am writing on behalf of the Laborers International Union of North America, Local Union 261 ("LIUNA") to follow-up on previous comments LIUNA submitted regarding the Planning Commission's consideration of an Initial Study and Mitigated Negative Declaration ("IS/MND") prepared for the 1180 Main Street Office Project ("Project") (File No: AP2017-091, UP2018-006, TM2018-006). LIUNA has had an opportunity to discuss its comments with the applicant. In light of further information provided by the applicant and commitments that would reduce formaldehyde emissions and aid in addressing wildlife concerns, LIUNA believes its comments have been resolved and has no objections to the Planning Commission adopting the IS/MND and approving the Project as proposed.

Sincerely,

A handwritten signature in blue ink that reads "Michael R. Lozeau".
