Re: Public Records Act Request Belridge Steam Distribution Pipelines

Dear Public Records Act Coordinator:

We are writing on behalf of California Unions for Reliable Energy ("CURE") to request a copy of any and all records related to the Belridge Steam Distribution Pipelines ("Project"), proposed by Aera Energy, LLC. This request includes, but is not limited to, any and all materials, applications, correspondence, resolutions, memos, notes, analysis, electronic mail messages, files, maps, charts, and/or any other documents related to the Project.

The Project proposes to install six new pipelines, one above ground powerline, and one above ground fiber optic communication line to support steam production in the Belridge Oil Field, in Kern County California. New pipelines will include a (1) wash water [potable water] line, (2) a feed water line, a dry steam line, (4) a wet steam line, (5) a condensate line, and (6) a recycled condensate line, as well as new electrical and fiber optic lines.

This Project is part of the Belridge Solar Project, which may also be referred to as Tulare Solar One. This Project previously received a ministerial permit under Kern County Zoning Ordinance's Oil and Gas Minor Activity Review, PLN18 00720. It is located on several Assessor Parcel Numbers in an unincorporated area of western Kern County, including APN 085 220 37. A portion of the Project may occur along Highway 33.

This request is made pursuant to the California Public Records Act. (Government Code §§ 6250, et seq.) This request is also made pursuant to Article I, section 3(b) of the California Constitution, which provides a Constitutional right of access to information concerning the conduct of government. Article I, section 3(b) provides that any statutory right to information shall be broadly construed to provide the greatest access to government information and further requires that any statute that limits the right of access to information shall be narrowly construed.

We will pay for any direct costs of duplication associated with filling this request up to \$200. However, please contact me at (650) 589 1660 with a cost estimate before copying/scanning the materials.

Pursuant to Government Code Section 6253.9, if the requested documents are in electronic format and are 10 MB or less (or can be easily broken into sections of 10 MB or less), please email them to me as attachments
