RE: Agenda Item 75D
2800 N. Main Street
Opposition for Proposed Development

Dear Honorable Mayor Pulido and Council Members,

The Brothers and Sisters of the Local 652, an affiliate of the Southern California District Council of Laborers and the Laborers International Union of North America (LIUNA!), would like to convey our Opposition for the proposed development at 2800 N. Main Street (Main Place Mall).

Local 652 opposes Item 75D for the following reason:

Further environmental reports are needed for further mitigation that would have less of an impact on the surrounding communities and constituents as well as the 1,800+ men and woman that Local 652 represents in Orange County as well as their families.

For the above reason, we urge you to postpone Item 75D to a further date.

In advance; the Local thanks you for your consideration on this important matter.

Sincerely,

Adrian A. Esparza
Business Manager
