Barrington Mixed-Use Project aka ENV-2015-2957-EIR, SCH
#2016051027**

Dear Ms. Zasadzien, Ms. Webber and Ms. Wolcott:

I am writing on behalf of **Supporters Alliance For Environmental Responsibility** and its members living in the City of Los Angeles ("SAFER"), regarding the Draft Environmental Impact Report ("DEIR") prepared for the Project known as Santa Monica and Barrington Mixed-Use Project aka ENV-2015-2957-EIR and SCH #2016051027, including all actions related or referring to the proposed construction and operation of a new five-story 316,520 square-foot mixed-use development, comprised of 64,759 square feet of ground-floor and mezzanine-level grocery store and restaurant uses along Santa Monica Boulevard and 180 residential apartments, over three levels of subterranean parking on a 2.6-acre vacant lot located at 11650-11674 W. Santa Monica Boulevard, 1551 S. Barry Avenue, and 1560 S. Barrington Avenue in the City of Los Angeles ("Project").

After reviewing the DEIR, we conclude that the DEIR fails as an informational document and fails to impose all feasible mitigation measures to reduce the Project's impacts. SAFER requests that the City of Los Angeles Department of City Planning address these shortcomings in a revised draft environmental impact report ("RDEIR") and recirculate the RDEIR prior to considering approvals for the Project. We reserve the right to supplement these comments during review of the Final EIR for the Project and at public hearings concerning the Project. *Galante Vineyards v. Monterey Peninsula Water Management Dist.*, 60 Cal. App. 4th 1109, 1121 (1997).

We hereby request that City of Los Angeles ("City") send by electronic mail, if possible or U.S. Mail to our firm at the address below notice of any and all actions or hearings related to activities undertaken, authorized, approved, permitted, licensed, or certified by the City and any of its subdivisions, and/or supported, in whole or in part, through contracts, grants, subsidies, loans or other forms of assistance from the City, including, but not limited to the following:

- Notice of any public hearing in connection with the Project as required by California Planning and Zoning Law pursuant to Government Code Section 65091.
- Any and all notices prepared for the Project pursuant to the California Environmental Quality Act ("CEQA"), including, but not limited to:
 - Notices of any public hearing held pursuant to CEQA.
 - Notices of determination that an Environmental Impact Report ("EIR") is required for the Project, prepared pursuant to Public Resources Code Section 21080.4.
 - Notices of any scoping meeting held pursuant to Public Resources Code Section 21083.9.
 - Notices of preparation of an EIR or a negative declaration for the Project, prepared pursuant to Public Resources Code Section 21092.
 - Notices of availability of an EIR or a negative declaration for the Project, prepared pursuant to Public Resources Code Section 21152 and Section 15087 of Title 14 of the California Code of Regulations.
 - Notices of approval and/or determination to carry out the Project, prepared pursuant to Public Resources Code Section 21152 or any other provision of law.
 - Notices of approval or certification of any EIR or negative declaration, prepared pursuant to Public Resources Code Section 21152 or any other provision of law.
 - Notices of determination that the Project is exempt from CEQA, prepared pursuant to Public Resources Code section 21152 or any other provision of law.

Please note that we are requesting notices of CEQA actions and notices of any public hearings to be held under any provision of Title 7 of the California Government Code governing California Planning and Zoning Law. **This request is filed pursuant to Public Resources Code Sections 21092.2 and 21167(f), and Government Code Section 65092,** which requires agencies to mail such notices to any person who has filed a written request for them with the clerk of the agency's governing body.
