TO: PLANNING COMMISSION  
City of Vacaville

Date: July 12, 2018

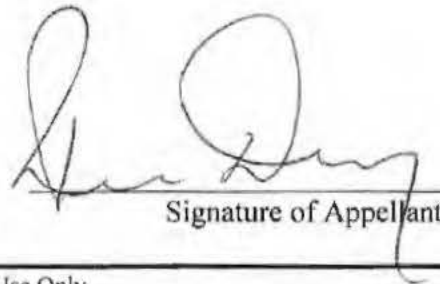

Name of Appellant: Laborers International Union of North American Local Union No. 324

Address: 611 Berrellesa Street, Martinez, CA 94553

Nature of Appeal: On request for a Environmental Impact Report  
Cessna and Aviator Warehouse Project. NE corner Cessna Drive and Aviator Drive  
On Application No. File No. 17-322 , Dated July 3, 2018  
State Clearinghouse No. 2018052062; APNs 0133-210-670 & 680

Please explain in detail where there was an error or abuse of discretion by Staff or where the action taken is not supported by the evidence in the record:

The Initial Study and Mitigated Negative Declaration (IS/MND) fails as an informational document, and that there is a fair argument that the Project may have adverse environmental impacts. Therefore, we request that the City of Vacaville prepare an environmental impact report ("EIR") for the Project pursuant to the California Environmental Quality Act ("CEQA"), Public Resources Code section 21000, et seq. The Director of Community Development prejudicially abused his discretion by failing to prepare an EIR as required by CEQA.
