Dear Public Records Act Coordinator:

We are writing on behalf of California Unions for Reliable Energy ("CURE") to request to request a copy of any and all records related to Sand Hill Wind Repowering Project ("Project"), proposed by Sand Hill Wind, LLC. The project consists of repowering an estimated 671 existing or previously existing wind energy turbine sites with up to 40 new turbines with a maximum production capacity of 144.5 megawatts (MW), using turbines rated between 2.3 and 3.8 MW (potentially up to 4.0 MW) per turbine, on fifteen nearly contiguous parcels extending over approximately 2,600 acres in the eastern Altamont Pass area of Alameda County.

This request includes, but is not limited to, any and all materials, correspondence, resolutions, memos, notes, analysis, electronic mail messages, files, maps, charts, and/or any other documents related to the Project.

This request is made pursuant to the California Public Records Act. (Government Code §§ 6250, et seq.) This request is also made pursuant to Article I, section 3(b) of the California Constitution, which provides a Constitutional right of access to information concerning the conduct of government. Article I, section 3(b) provides that any statutory right to information shall be broadly construed to provide the greatest access to government information and further requires that any statute that limits the right of access to information shall be narrowly construed.

We will pay for any direct costs of duplication associated with filling this request up to \$200. However, please contact me at (650) 589 1660 with a cost estimate before copying/scanning the materials.

Pursuant to Government Code Section 6253.9, if the requested documents are in electronic format and are 10 MB or less (or can be easily broken into sections of 10 MB or less), please email them to me as attachments.
