Re: Public Records Act Request – Ideol USA Vandenberg Air Force Pilot Project

Dear Public Records Act Coordinator:

We are writing on behalf of **California Unions for Reliable Energy (CURE)** to request a copy of any and all public records referring or related to the USA Vandenberg Air Force Pilot Project (“Project”), proposed by Ideol (“Applicant”). The Project consists of four 10 megawatt floating wind turbines to be located in state water off Vandenberg Air Force Base. This request includes, but is not limited to, any and all file materials, applications, correspondence, resolutions, memos, notes, analysis, email messages, files, maps, charts, and any other documents related to the Project.

We are making this request pursuant to the California Public Records Act (“Act”),¹ and request the above documents pursuant to section 6253(a) of the Act. In addition, we request these materials pursuant to Article I, section 3(b) of the California Constitution, which provides a constitutional right of access to information concerning the conduct of the government. Article I, section 3(b) provides that any statutory right to information shall be broadly construed to provide the greatest access to government information and further requires that any statute that limits the right of access to information be narrowly construed.

If any of the requested items are available on the Internet, we request that the Commission provide us with a direct link for downloading the responsive documents. Pursuant to Government Code section 6253.9, if the requested documents are in electronic format, please send them via a file hosting program such as Dropbox. Alternatively, if the electronic records are 10 MB or less (or can be easily broken into chunks of 10 MB or less), they can be emailed as attachments. We will pay for any direct costs of duplication associated with filling this request up to \$200. However, please contact me at (650) 589 1660 with a cost estimate before copying/scanning the materials.

Please use the following contact information for all correspondence regarding these requests:
